FAX: (412) 788-8126

April 2005

A Township Ordinance was amended because the Board of Commissioners of the Robinson Township find that the health, safety, and welfare of the Township and its residents is promoted by the establishment of procedures and requirements relative to the placement of fill upon properties in the Township in quantities between ten (10) to four hundred ninety-nine (499) cubic yards.

Any landowner or agent proposing to create fill on any property within Robinson Township not less than 10 cubic yards or more than 499 cubic yards cumulatively in any 12 month consecutive period shall be required to file an application to obtain a small fill permit.

Fees for review of the application for a permit are as follows:

<u>Quantity of Fill</u>	<u>Cost</u>
10 - 100 cubic yards	\$ 25.00
101-250 cubic yards	\$100.00
251-499 cubic yards	\$175.00

A copy of the amended ordinance in its entirety can be viewed at the Township office.
